### **Proposed changes to Admission Rules 2018 – 2019**

I am writing to you with regard to the Admission Rules for Christ Church CofE (VA) Primary & Nursery.

Currently the school admission policy, Category 5, includes children whose families are practising Christians attending a church service at any other Christian church, at least once a month, for at least a year before the allocation of places.

At the meeting of Christ Church governors held on 8<sup>th</sup> December it was agreed that we would wish to change Category 5 to:

Children whose families are practising Christians attending a Christian church within the ecclesiastical Parishes of Christ Church or St Mary's Ware, at least once a month, for at least a year before the allocation of places.

I am writing to you as part of the consultation process because this change, if agreed, may affect pupils attending your provision; I hope that you might also feel able to inform parents of the consultation.

Full details of our current Admission Rules for 2017-2018 can be found on the school website, as can a copy of the proposed new Admission Rules for 2018-2019. Should you wish to make any comments on this proposed change to our Admission Rules please send them by post or email to [admin@christchurch.herts.sch.uk](mailto:admin@christchurch.herts.sch.uk) before the consultation period closes on 31<sup>st</sup> January 2017.

Yours sincerely
