## Ware a Hat Day

On Friday 13<sup>th</sup> February we will once again be holding a Hat Day! This is in support of the 'Ware a Hat Day' organised by the local Ware based charity 'The Amy Wallace Magpie Trust'. Those of you who have supported this in the past will remember that this charity was set up by the parents of Amy Wallace who lost her fight against Leukaemia. The charity has granted many wishes for children who are battling this disease and with your help, they could grant more. The wearing of a hat is significant as cancer victims suffer hair loss during treatment and so this seems like a fitting way to remember Amy and raise money to help others like her who are fighting the disease. Thank you, your support is greatly appreciated!
