## Message from the Head Teacher

Dear Parents / Carers,

I am so glad to be back at work, at last. Although I'm returning gradually, I've already found myself in the 'thick of it', dealing with a range of issues. The life at school is certainly never boring, however even if there are so many things to do and decisions to make, usually all at once, I must admit I have missed it terribly.

It is also great to see the children again. They have given me a very warm welcome; I have never received so many hugs in my whole life. It is amazing to see how much the children have grown and matured during my absence.

As long as my health keeps on improving, I will thoroughly enjoy working during the remaining weeks of this school year. Let's hope the sun will continue to shine, particularly on the days of our outdoor events such as Sports Day or Summer BBQ.

Ania Vaughan  
Head Teacher
