## Polite Request to Parents

Now that the weather is warmer and the children are starting to take their jumpers and cardigans off, Please can all parents / carers ensure that all uniform contains your child's name.

We currently have a huge lost property pile. If you are missing any items in particular we will be displaying these in the playground over the coming few weeks.

We are also experiencing high volumes of children coming into school without water bottles, children should all have their own, named water bottle available for them to use throughout the day when needed.
