

PSA Update

School Field Project

We hope you all had a great half term, the children have been very excited to be using the new play equipment in the field, there are still a few more pieces to be installed but it looks great and will be fab come spring when the planters are in full bloom and all of the equipment can be fully utilised.

Our thanks go to Laura Barker for coordinating the project and also to Nick Burrige, Rachel & Dave Swatton, Matthew Berrecloth and Richard Barker who formed the working party last Saturday and to Richard Butler who helped prepare the area and ensure the removal of 2 troublesome tree stumps!

Thank you also to our school and of course our parents who have helped to fund this project.

Christmas Cards

Your child should now have come home with their lovely personalised sample Christmas card; you will see that this year gift tags and mugs can also be purchased.

Please return completed order forms along with your payment to the school office by Monday 11th November. Cheques should be made payable to Christ Church School PSA.

Christmas Bazaar

Tickets will soon be going on sale for our Christmas bazaar to be held on Saturday 23rd November, from 4 -6pm. We will be selling tickets on the school playground from next week.

Christmas Pantomime

On a Christmas note, this year instead of going to a pantomime the panto will be coming to us! The Flying Pizza Theatre Company will be performing 'Hobbit Tales' on Monday 9th December to the children from Reception to Year 6.

PSA AGM

On Thursday 14th November we are holding our annual AGM, this will be held within the school from 8-9pm. The agenda can be found on our noticeboard in the school office. We need a minimum number to attend so please come along to show your support and to join us for drinks in The Vine afterwards!

We Need You

We need you - to join our crew! We are on the lookout for new members. If you would like to get involved with raising funds for your child please let one of us know or leave a message in the office. It doesn't have to take up too much of your time and we are a friendly bunch! Any time you can manage to give will be appreciated whether this is in the form of helping organise events or getting involved in the administration side.

Thank You

Finally, it may seem that we are constantly requesting sweets, bottles, money etc and we do understand that it is an added pressure but without your help and support we would not be able to provide these additional benefits for our children.

Your support is greatly appreciated.
