## Message from the Head Teacher

Dear Parents/Carers,

Thank you to all the parents who have taken the opportunity to see me during the drop in sessions. I hope you have found them helpful.

As a school we have found them very effective and therefore we will continue with a weekly drop in session next term. Please remember they take place on Wednesdays between 9.00-10.00am and can be booked via the school office.

## Inspirational Talk

Today the children were given an inspirational talk by James Storey, Junior Sharks Rugby Coach. This was to help show the child how positive actions can influence our everyday school life, particularly in sport.

Please see below a few words from one of the children who took part in the talk.

“Blue Loopers are people who you want on your team. They encourage, listen, include everybody and they are unselfish and positive members of the team.

He shared a motto with us of “One Team, One Dream” and asked us to always snowball positive thoughts and actions.

He asked us to reflect on his words and try putting them to use.”
