Message of the Week

Dear Parents/Carers,

November 11th 2018 marks 100 years since the end of World War I. At this time, we would like to remember and celebrate the heroes that have valiantly fought in World War I (and other conflicts) and honour those who have sacrificed themselves to secure and protect our freedom.

As part of our remembrance activities, we would like to create a wall of remembrance. If you have any photographs of family members that have fought to keep us safe we would be grateful if you could send in a name, photograph and any details you may have to include on this wall. Please send in photocopies or email the photographs to fitchs@christchurch.herts.sch.uk.

In addition, we also looking for any former or current service personnel that may be able to share their experiences of the armed forces with the children. If you think you may be able to help, please email Mrs Fitch (see above) or see your class teacher.

Christ Church Chase

Next Wednesday (**26th Sept**) we will be holding our annual school fun run. This is a fundraising event which takes place during the school day, and we are inviting all children to dress in sports kit for the day for a donation of £1.

We will also be sending home a sponsorship form tonight along with full details of the event. Please ensure your child has appropriate footwear in school, and a water bottle. Children may do as much or little as they can, and can run, or walk if they prefer.

We look forward to your continued support.

Packed Lunch Option from School Menu

We have had a few parents asked what is included as part of the packed lunch (option C) from the school menu.

If children pick option c, they receive the chosen roll / baguette, of the day, but are then also allowed to pick pasta or potatoes, a choice of vegetables and / or salad if wanted followed by a pudding.

Music Lessons

Herts College of Music (HCM) are able to offer Piano, guitar and drum lessons at School for year 3-6. If you are interested please either pop in to the HCM shop on the high street or alternatively we have a leaflet in the school office with full details.

Family Daily Mile

As you may know, our school has been taking part in the Daily Mile three times a week. The daily mile is a new initiative designed to help children be active and healthy. The children love taking part and would love to show their mums, dads, family and friends how they do it.

So, on the **Friday 28th September at 2:45 pm**, we would like to invite you to join us for a family and friends daily mile. **(Year 1—6 only)**. All you will need to do is walk or jog with your child around the field for 10 minutes and see how fantastic the daily mile is!

If you do wish to attend you will be able to meet your child at their classroom before going out to take part, afterwards you will be able to meet the teacher and look around their classroom.

Year 3/4 Trip to Celtic Harmony

This was the wolf group with their man made den!

"It was a good day and we got to do loads of activities. My favourite was making the dens" Esme N, Walliams

"We learnt lots of stuff and it was a really nice and sunny day. It was interesting and fun. My best bit was when we got to buy something. I brought a shark tooth necklace." Alfie A, Walliams

It was very realistic and interesting. We did lots of activities and fun things. It was like we were stone aged people. The shop was full of good gifts! Highly recommend! Jack H, Walliams
