

Christ Church Contact

Message of the Week

Dear Parents/Carers,

This week has been a very exciting week for KS1 with two special activities taking place. As you know we like to give our children lots of exciting opportunities and practical hands on experience.

On Tuesday we were very fortunate to be visited by a mobile zoo where the children had the opportunity to test their animal knowledge by trying to guess the correct animal and were then rewarded by being able to handle a wide range of animals from a tree frog through to a skunk.

Our second activity was to visit our Church and meet with John the vicar. Our children were able to ask him questions and find out the type of things that Christians do when in church. As usual they had some insightful and challenging questions which John has kindly answered.

I hope you have a lovely weekend and for those of you that are attending our annual PSA summer BBQ we look forward to seeing you later. Thanks also to our PSA for their continued support.

Jacqueline Matthews
KS1 Leader

Golden Book

Congratulations to the children that have been entered into the Golden Book this week:

Poem: Training

Friday 29th June 2018

Edition: 35

Christ Church Contact

This year for animal training why not try something different?

Like antelopes going to athletics in apples
Or bears balancing on brownies
Cat cycling over carrots
Or dogs diving in doughnuts
Like elephants escalating in eggs
Or flamingos fishing for fish
Giraffes galloping on grilled steak
Or hyena's flopping on ham
Like iguana's ice skating on tice cream
Or jaguars jumping on jalapenos
Kangaroos kicking ketchup
Or leopards leaping in lettuce
Like monkeys munching on melon
Or narwhals nodding on nuts
Orcas going to the Olympics on omelette
Platypuses plodding on potatoes
Likes quails quelling on quinoa
Or ravens riding raspberries
Snow leopards sucking on steak
Or tiger sharks tripping over tuna
Like unicorns uni-cycling on upside down pudding
Or vultures vaulting on veal
Wolverines waving in watermelons
Or x-rayed fish x-ray checking x-ray
Or Yorkshire terriers yawning on Yorkshire puddings
And zebras zooming in zabaglione

You should try this trainers its great fund and we think you'll love it!

Written by Susannah T, Fine Class

Library Books

Please can all library books be returned to the library by no later than Friday 6th July. This will enable us to stock take before the summer holiday.

Mobile Zoo Visit

First we saw the meerkats in a cage, the lady hid the meerkats' food they had to find it.

Next we held a tree frog we had to make our hands wet with water because otherwise it would hurt the frog. The frog felt very soft.

Then we saw a skunk, the skunk was very soft, next we got to tickle a tortoise he was very funny. We also saw a black rabbit and a leopard lizard, the other lizard had a blue tongue. Last we saw a snake, he was very, very long. My favourite animal was the rabbit.
