Message from Head Teacher

Dear Parents/Carers,

First of all, I would like to say a huge thank you to all of you who took time to complete the Sports Day survey. We were overwhelmed with positive views, which strengthened our belief that the choice of a traditionally competitive Sports Day is the best for our school. It is reassuring to find out that you share our vision so strongly. Therefore, rest assured the competitive Sports Day is here to stay.

At the same time, you have given us a few really interesting ideas, for which we are very grateful. All of them will be discussed and considered very carefully by the whole staff. You will be informed once we make any decisions; I believe you may well expect a few additions to our Sports Day next year, all thanks to you.

Finally, I am delighted to announce that Christ Church has been awarded a Silver Games Award for this school year. Although we never do anything for awards, it is still nice when our efforts are recognised. Particularly as this is a nationally accredited award, we have tangible proof that sports are taken seriously at our school. Naturally, we will continue to improve them; our aim for the next year is to go for Gold.

I would like to thank Miss Ball, our PE Subject Leader and Mrs Bevis, our Sports Administrator and a coach, for their enthusiasm, passion and commitment to sports. I am also very grateful to Sports Committee and numerous volunteer coaches, without whom the range of sporting activities would be seriously diminished. We are very grateful for all your hard work and on-going support.

E-Safety

On Tuesday as part of our ongoing e-Safety education, the children in KS2 took part in an internet safety workshop led by Excit-ed. The children found out about privacy settings, keeping safe online, how to protect their identity and why it is important to switch off screens two hours before going to bed.

Evie said "It was really good because we learnt about safe apps and their pros and cons".

I am glad to hear that the presentation was a success as it is really important for children to feel equipped when faced with challenges online. I hope that the parents that attended also found it informative.

Ware in Bloom

The school has entered Ware in Bloom again this year. Unfortunately some of our plants & displays suffered during the very bad weather earlier in the week; we would therefore be very grateful for any donations of unwanted Soil, Plant Pots, Plants—both flowers and vegetables. Please bring any donations to school as soon as possible after the weekend. Thank You

Wet Play Equipment

We would be very pleased to receive any donations of any of the following for use during Wet Play:

Board Games

Puzzles

Lego/construction

Top trips etc

Please ensure all games are complete before donating. Thank you.

HOROWITZ Class — Quiz

As part of our fundraising for our link school in Gambia, Horowitz Class have written a family quiz. The quiz is designed to be completed together as a family at home and the questions are suitable for all ages. Horowitz Class will be selling their quiz on the playground after school everyday next week for £1 each. If you would like to take part, please buy a quiz, enjoy completing it together as a family and then return it to the school office or Horowitz classroom for the chance to win a prize.

Poem by Andrew Hallett

Dear God

God, why are some snakes poisonous?

Why do pencils crack?

Why can't Penguins fly?

Why, God, why?

God, why is the sun so hot?

Why do you burn?

Why can't we fly?

Why God, why?

God, why do you get dirty?

Why do you get hot?

Why do you get cold?

Why, God, why?

Travelling by Tuba

Travelling by Tuba is one of the UK's busiest and most successful classical music duos.

Formed twenty-one years ago, they now perform in excess of 200 concerts a year, playing venues such as the Barbican Centre, St. David's Hall and the Bridgewater Hall. They have recorded three CDs, releasing their third album on the Polyphonic label in 2006. The group has appeared regularly on BBC Radio and television and for many of the independent networks

Today we were delighted to welcome the Travelling by Tuba duo to our school. They started the day off by taking us "around the world" through an amazing interactive journey. Lots of children participated and tried unusual instruments. We have some fantastic alpine horn players in our school!

The rest of the day was spent in musical workshops, with the every child having the opportunity to create music and perform as a group. The smiles and laughter showed how much we all enjoyed the day.

If you have not yet donated £2, we would be still be pleased to receive it, in order that we can continue to hold fabulous whole school events like this in school.
