Message of the Week

Dear Parents/Carers,

It is hard to believe that yet another school year is ending soon. Today, your children will be taking home their end of year reports. As usual some will be awaited with excitement, some with a bit of trepidation. I can assure you there is no reason to worry; the reports are full of well deserved praises of children's personal achievements, knowledge and skills they have gained over this year. They also recognise the hard work and sheer effort the children put into their work, well done to them all.

Please, do not forget to listen to the guidance given by teachers with regards to what your children should focus on to sustain or possibly accelerate the progress they have made this year. Remember that it is always useful to encourage regular reading during the holidays; practising addition, subtraction and multiplication facts will also guarantee a more assured start to a new year.

As usual, at this time of year the children will also be finding out to which classes they will belong, so please do not hesitate to contact your children's current teachers, if you think there may be any issues. The teachers will ensure your child is well supported.

Have a nice weekend.

Ania Vaughan Head Teacher

PSA Summer BBQ

I would like to say a massive thank you to our PSA who worked tirelessly to put on another fabulous Summer BBQ this year.

They managed to raise a grand total of £3,300! Well done to all of our volunteers who helped make this annual event so successful.

Music Makers After School Club

After 4 years, Mrs Pearce who runs our after school club, Music makers, has decided to end the club. Music Makers did their final performance at assembly earlier this week and were fantastic.

I would like to say a big thank you to Mrs Pearce for all her hard work and commitment running such an amazing club where our children can play music and learn whilst enjoying playing an instrument. Mrs Pearce will be back in September with a new recorder club!
