## Message from Head Teacher

Dear Parents/Carers,

It is hard to believe that yet another school year is ending soon. Today, your children will be taking home their end of year reports. As usual some will be awaited with excitement, some with a bit of trepidation. I can assure you there is no reason to worry as you will truly enjoy reading them. The reports are full of well deserved praises of your children's personal achievement, knowledge and skills they have gained over this year. They also recognise the hard work and sheer effort the children put into their work, well done to them all.

Please, do not forget to listen to the guidance given by teachers with regard to what your children should focus on to sustain or possibly accelerate the progress they have made this year. Remember that it is always useful to encourage regular reading during the holidays; practising addition, subtraction and multiplication facts will also guarantee a more assured start to a new year.

As usual, at this time of year the children will also be finding out to which classes they will belong, so please do not hesitate to contact your children's current teachers, if you think there may be any friendship issues. The teachers will be able to support your child accordingly to their specific needs.

Have a nice weekend.

Ania Vaughan

Head Teacher

Yannick K—Hargreaves	Daniel M—Hargreaves
Tommy D—Lewis	Katie C—Lewis
Tyler W—Lewis	Ashton W—Horowitz
Oliver B—Lewis	Nathan D—Lewis

## Ware in Bloom

Ware in Bloom came to visit year 1 this week to judge our Incredible Edibles. The children were able to speak with confidence and elegance about their allotment and the judges awarded them a silver certificate.

Anglia in Bloom have also visited this week and were impressed with the variety of gardening projects around the school and also commented on the happy feeling as they moved from room to room.
