Message from the Head Teacher

Dear Parents/Carers,

What a busy week we have just had.

On Wednesday, the children enjoyed having a Spanish Day during which they learned about the language, art, music, sport and food of Spain. The children embraced the whole experience with a great deal of enthusiasm and enjoyed the day thoroughly.

Today, we all feel exhausted after running numerous laps to raise money for new sport resources. The children love using our new outdoor gym, partially purchased with the money raised by last year's Christ Church Chase, so please support this year's event just as generously.

I would like to point out that both events were supported by a group of parent volunteers. Thank you to you all; your help is as always greatly appreciated. I also hope that the volunteers enjoyed the events just as much as the children.

Ania Vaughan, Head Teacher

Netball Report

On the 13th October in Netball we had a great game against St Catherine's School. We all enjoyed it very much.

The game was very close all the way through but Christ Church managed to beat them 7-6. Everyone came out with great smiles on their faces.

I personally believe we all played very well as a team therefore managed to win!
