# Trips

Kingswood Year 6

Year 5 pupils will be taken on a trip during this week, and activities will be planned linked to this trip.

We will be planning another trip, probably to Ware Museum, this term.

# Homework (Weekly)

Homework in Years 5 and 6 is very important to help your child prepare for secondary school.

Please support your child in helping them to get their homework completed and handed in on time.

# Homework (Weekly)

Literacy homework set on Tuesday for the following Monday.

Maths homework:

Shakespeare / Horowitz set on Friday for the following Thursday.

Tolkien set on Tuesday to be completed by the following Monday.

Next month we will be alternating between MyMaths and arithmetic homework (on paper).

Most weeks a 'word wall' will be sent home on a Friday to support their spellings. Word walls will focus on a specific spelling pattern.

Grammar homework books will be given to Year 6 later in the term.

# P.E.

After Christmas, the Wednesday P.E. will change as we won't be doing basketball with the coach.

# Parent Support

- Supporting homework - timetable.
- Hearing your child read regularly; asking them questions about what they've read.
- Commenting on reading in reading records.
- Listening to readers.
- Make office aware if you can support with our trips.
- Labelled uniform/equipment
