

An Introduction to Twinkl Phonics

for Parents and Carers

Effective Phonics, Done Simply

Did You Know...?

There are **26 letters** in the alphabet but there are **44 sounds** and over **100 different ways of spelling them**.

This is why English is one of the most complex languages to learn!

Phonics Terminology

Here is some of the terminology you might hear as your children begin to learn phonics.

Phoneme	the smallest unit of sound in words
Grapheme	the written representation of a sound
GPC (Grapheme-Phoneme Correspondence)	being able to match a phoneme with the correct grapheme and vice versa
Blending	joining individual speech sounds together to read a word
Segmenting	breaking down words into individual speech sounds to spell a word
Digraph	two letters making one sound e.g. 'sh'
Trigraph	three letters making one sound e.g. 'igh'
Split Digraph	two letters making one sound which are divided by a consonant e.g. the i_e sound in the word 'side'
Tricky/Common Exception Words	words that are not fully decodable such as 'the' and 'was'
Sound buttons	circles or spots that can be written underneath a sound to support reading
Sound bars	lines that can be written underneath digraphs or trigraphs to show that the letters make one sound
Mnemonic	a visual prompt to help children remember a sound

What Is Synthetic Phonics?

- Synthetic phonics is a method of teaching reading and writing, in which words are broken up into their smallest units of sound or 'phonemes'.
- Children learn to associate a written letter or group of letters, known as 'graphemes', with each phoneme.
- Sounds are then joined or 'blended' together into words for reading or, conversely, whole words are broken down or 'segmented' into their sounds for writing.
- It is the UK's most preferred method of teaching phonics.
- Sounds are taught in a prescribed order starting with s, a, t, p, i, n, as this allows for the most words to be made from the start, such as 'sat,' 'tap' and 'pin'.

What Are the Benefits of Synthetic Phonics?

Children progress through the stages as they are ready.

Planning ensures progression and coverage.

Children can attempt new words working from sounds alone.

Reading and writing become practices that are developed hand in hand.

What Is Taught and When?

Twinkl Phonics Level	Number of Teaching Weeks	Recommended Year Group (UK schools)	Age of Children
Level 1	36	Nursery/Preschool	3-4 years
Level 2	7	Reception	4-5 years
Level 3	12	Reception	4-5 years
Level 4	5	Reception	4-5 years
Level 5	30	Year 1	5-6 years
Level 6	30	Year 2	6-7 years

Level 1 continues to be taught alongside the other levels.

This is just an overview. We understand that every child progresses at their own pace.

Level 5

Level 5 is taught in Year 1.

By the end of Level 5, children will have had the opportunities to:

- give the phoneme, when shown any grapheme that has been taught;
- for any given phoneme, write the common graphemes;
- apply phonics knowledge and skills as the primary approach to reading and spelling unfamiliar words that are not completely decodable;
- read and spell phonically decodable two-syllable and three-syllable words such as 'dolphin' and 'parachute';
- read automatically all taught tricky and common exception words;
- accurately spell all the Level 2, 3 and 4 tricky words and most of the common exception words for reading;
- form each letter correctly;
- use alternative ways of pronouncing and representing the long vowel phonemes.

Level 6

Level 6 is taught in Year 2.

By the end of Level 6, children will have had the opportunities to:

At this stage, children can read hundreds of words automatically. They are now reading for pleasure and reading to learn rather than learning to read.

- read accurately most words of two or more syllables;
- read most words containing common suffixes;
- read most common exception words;
- read most words accurately, in age-appropriate books, without overt sounding and blending, fluent enough to allow them to focus on their understanding rather than on decoding individual words;
- sound out most unfamiliar words accurately, without undue hesitation;
- segment spoken words into phonemes and represent these by graphemes, spelling many of these words correctly and making phonetically plausible attempts at others;
- spell most common exception words correctly.

Year 1 Phonics Screening Check

In June, all year 1 children are expected to complete the Year 1 Phonics Screening Check.

The aim is to check that a child is making progress in phonics. They are expected to read a mixture of real words and 'nonsense' words. (Nonsense words can also be referred to as 'pseudo' or 'alien' words)

For more information why not take a look at the [Twinkl Phonics Year 1 Screening Check Guide for Parents](#)

If a child has not reached the expected standard, schools must give additional support to help the child to make progress in year 2.

Children who have not passed the check in year 1 will have the opportunity to retake it in year 2.

How You Can Help Your Child at Home

Work on listening skills, taking turns and encouraging your child to look at you when you are speaking.

Practise segmenting and blending words.

Look for familiar sounds and words in the world around you. Such as, when in the supermarket, can your child find words on your shopping list or recognise letters on food packaging?

When outside, can they recognise letters on street names or on car number plates?

When in the house, can they recognise letters or words in magazines or letters you receive?

How You Can Help Your Child at Home

Practise the new sounds and graphemes your child brings home using the Parent Information Sheets. Remember to use 'pure' sounds when pronouncing the sounds and model the correct letter formation as is taught in school.

Support your child to complete any homework they bring home.

Read to and with your child **every day**.

Finally, remember to ask your child's class teacher if you are unsure about any aspect of your child's phonics learning. A consistent approach is important.

This week, we have been learning to read and spell words containing **dge** and **ge** saying /j/.  Level 6

The /j/ Sound Family

dge This spelling is used when the /j/ sound comes at the end of a word and after a short vowel sound. (Short vowels are spoken as a pure sound).

badge
bridge

ge This spelling is used when the /j/ sound comes at the end of a word and after a long vowel sound, a vowel digraph or a consonant. (Long vowels are spoken like letter names.)

huge
barge
orange
challenge

g This spelling is sometimes used when the /j/ sound is followed by e, i or y.

gem
gymnast
giant

j This spelling is used when the /j/ sound is at the start or in the middle of words.

jump
jelly
injury
